A WARM WELCOME

A warm welcome is guaranteed at Wesley Methodist Church where worship and friendship go hand in hand. Services have elements of the informal and formal, traditional and modern.

We believe in the Christian message that God made us and loves us, and that Jesus Christ came into the world to live and die for us so that we could have life with Him now and forever.

He asks us to care for each other, and at Wesley we not only offer support and a listening ear to those in the church but also to those outside who may need similar support during a crisis time in their lives.

Within Wesley activities are being planned which will not only enhance our life and worship together but also reach out to the wider community.

Whether you are new to the area, or have always lived here, and feel any of this is for you then either contact the minister, or better still join us at any of our services or activities where a friendly welcome awaits you.
